EXTRA CREDIT ON ACCOUNT

How it works

The more you spend annually, the more credit you receive:

£5,000 spent per year → **£100** account credit

£10,000 spent per year → **£200** account credit

£30,000 spent per year → **£600** account credit

£50,000 spent per year → **£1,000** account credit

*Applies to previous year's club shop spend, which is credited in January each year.

- Set up a free online club shop with Pendle.

David James

We used Pendle for the first time for new training tops. We had been recommended by a friend who runs another team. My friend had commented on the speed of delivery, which, if I am being honest, I took with a slight pinch of salt as I did not believe it was possible. Pendle exceeded all of my expectations. The customer service from initial contact to delivery could not have been better. Definitely use again and definitely recommend.
